

COUNTY OF MARINETTE

This is to verify that at the Marinette County Jail, ANTHONY was completely searched. He was then restrained in six (6) flex-cuffs which were previously checked to insure no tampering had occurred. Both of his wrists were tied inside his legs with the back of his hands to his ankles. Two additional flex-cuffs connected ANTHONY'S wrists and ankles to his neck.

In this immobilized position he was locked in an isolation cell of the old jail from which he escaped in less than four (4) minutes.
