

***OFFICE OF SHERIFF***

***Kewaunee County***

TO WHOM IT MAY CONCERN:

I, Lee C. Ledvina do hereby certify at the Kewaunee County Jail, which local historians believe once held the notorious “Baby Face Nelson”; *Anthony* was thoroughly searched then laced into two regulation strait-jackets and leg-irons were locked around his ankles. *Anthony* was then locked in a cell from which it is impossible to reach the locking mechanism. He appeared free of all restraints in two (2) minutes. There was no way *Anthony* obtained outside help in his escape.

Signed by: *Lee C. Ledvina*

Sheriff, Kewaunee County
